ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences (BPAI) on September 8, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

A review of the file indicates that on November 2, 2005, appellants filed an Appeal Brief under the rules set forth in 37 CFR § 41.37(c). However, the Appeal Brief filed on November 2, 2005, does not fully comply with the new rules under 37 CFR § 41.37(c).

37 CFR § 41.37(c) states in part:

(c)(1) The brief shall contain the following items under appropriate headings and in the order indicated in paragraphs (c)(1)(I) through (c)(1)(x) of this section, except that a brief filed by an appellant who is not represented by a registered practitioner need only substantially comply with paragraphs (c)(1)(I) through (c)(1)(iv) and (c)(1)(vii) through (c)(1)(x) of this section:

(v) ***Summary of claimed subject matter.*** A concise explanation of the subject matter defined in each of the independent claims involved in the appeal, which shall refer to the specification by page and line number, and to the drawing, if any, by reference characters. For each claim involved in the appeal, every means plus function and step plus function as permitted by 35 U.S.C. 112, sixth paragraph, must be identified and the structure, material, or acts described in the specification as corresponding to each claimed function must be set forth with reference to the specification by page and line number, and to the drawing, if any, by reference characters.

(ix) ***Evidence appendix.*** An appendix containing copies of any evidence submitted pursuant to §§ 1.130, 1.131, 1.132 of this title or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered in the record by the examiner. Reference to unentered evidence is not permitted in the brief. See § 41.33 for treatment of evidence submitted after appeal. This appendix may also include copies of the evidence relied upon by the examiner as to grounds of rejection to be reviewed on appeal.

(x) ***Related proceedings appendix.*** An appendix containing copies of decisions rendered by a court or the Board in any proceeding identified pursuant to paragraph (c)(1)(ii) of this section.

An in-depth review of the Appeal Brief indicates that the following sections are missing from the Appeal Brief filed November 2, 2005:

- 1) "Evidence Appendix," as set forth in 37 CFR § 41.37(c)(1)(ix); and
- 2) "Related Proceedings Appendix," as set forth in 37 CFR § 41.37(c)(1)(x).

In addition, it is noted that the Summary of the Claimed Subject Matter fails to identify and map all independent claims to the specification, as required by 37 CFR § 41.37(c)(1)(v).

It is required that a supplemental Appeal Brief be submitted that is in compliance with 37 CFR § 41.37(c). For more information on the Board's new rules, please see the web page entitled "More Information on the Rules of Practice Before the BPAI," Final Rule at:

<http://www.uspto.gov/web/offices/dcom/bpai/fr2004/moreinfo.html>.

Accordingly, it is ORDERED that the application is return to the Examiner:

- 1) hold the Appeal Brief filed on November 2, 2005, defective;
- 2) notify appellants to file a supplemental Appeal Brief in compliance with 37 CFR § 41.37;

Application 10/684,460

3) for such further action as may be appropriate.
